

## Brief Intro

Chad Neal Segraves serves as a global mission leader, Bible teacher, apologist, and author. Chad is the executive director of **10/40 Connections** ([www.1040connections.org](http://www.1040connections.org)), a mission organization he and his wife Leslie co-founded in 2000. He wants all the world's people groups to know Jesus, he encourages godly and gifted men and women to join God's mission, and he defends pre-born babies.

10/40 Connections proclaims the Gospel to the ends of the earth by defending life and multiplying servant leaders in order to catalyze Disciple Making Movements. Their equipping initiative *Serving Shoulder to Shoulder* ([www.servingshouldertoshoulder.com](http://www.servingshouldertoshoulder.com)) theologically and practically helps men and women run fast and far together to complete the Great Commission. Their life-defending initiative *Life Voices Coalition* is a global network seeking to end the genocide of abortion.

Chad earned his Doctorate of Missiology from Fuller in 2009, and he co-authored *Engaged in Love and War: Living a Life of Commitment and Courage*. Chad served as a co-catalyst within the Lausanne Movement, and now he and Leslie facilitate the Servant Team of the 24:14 Network ([www.2414now.net](http://www.2414now.net)) for "Men and Women Serving Together." Chad, Leslie, and their children, when not living or working in Asia, reside in the Tampa Bay area.
